

Number of Physicians

This map shows the number of physicians in each region of Thailand. The proportion symbols (dots) indicate the number of physicians according to how large the dots are. The legend indicates the number of physicians for four different sizes of dots.

South East Asia

This map has been produced by Calvin College, Department of Geology, Geography, and Environmental Studies. It is provided free of any charge as a service to global communities and can be distributed freely. Changes and alterations are not allowed. No warranty is given for this map as to accuracy and is based on available data. Created in Spring 2009.
